**CASA EDITHA FOUNDATION dba AVA LYN'S CONTRACT GROUP HOME COMPLIANCE REVIEW**

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Contract Compliance Review of Casa Editha Foundation, dba Ava Lyn's Group Home (the Group Home) in July 2015. The Group Home has one site located in the Fifth Supervisorial District and provides services to the County of Los Angeles DCFS placed children, Probation foster youth, and placements from various counties. According to the Group Home's Program Statement, its stated purpose is "to enable these children to increase their independent adaptive skills and decrease their maladaptive behaviors in order to gain skills necessary for successful adult adjustment."

The Group Home has one 6-bed site and is licensed to serve a capacity of six male children, ages 7 through 17 and up to four non-ambulatory children only. At the time of the review, the Group Home served five DCFS placed children and one San Bernardino placed child. The placed children's overall average length of placement was seven months and their average age was 16.

**SUMMARY**

During CAD's Contract Compliance Review, child interviews were not conducted due to the children's various levels of Intellectual Disability which limits their participation. Therefore, the children were observed in the Group Home setting. Per observation, the children were dressed appropriately and felt comfortable in the presence of the Group Home staff. The Group Home staff were observed as being appropriately responsive to the children's needs and treating the children with respect and dignity.

The Group Home was in full compliance with 9 of 10 sections of our Contract Compliance Review: Licensure/Contract Requirements; Facility and Environment; Education and Workforce

*"To Enrich Lives Through Effective and Caring Service"*

Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharged Children; and Personnel Records.

CAD noted deficiencies in the area of: Maintenance of Required Documentation and Service Delivery, related to the Group Home not obtaining or documenting efforts to obtain the DCFS Social Worker's authorization to implement the Needs and Services Plan (NSP) and the Initial and Updated NSPs not being comprehensive and timely developed.

Attached are the details of CAD's review.

### **REVIEW OF REPORT**

On August 7, 2015, Chinelo Maduiké, DCFS CAD and Gladys Hidayat, Out-of-Home Care Management Division (OHCMD) held an exit conference with the Group Home's representatives: Edith Avanzado, Executive Director; Luis Araullo, Group Home Program Administrator; and Stephen Goodman, Group Home Social Worker. The Group Home's representatives agreed with the review findings and recommendations; were receptive to implementing systemic changes to improve compliance with regulatory standards; and were in agreement with addressing the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this report has been sent to the Auditor Controller and Community Care Licensing.

The Group Home provided the attached approved CAP addressing the recommendations noted in this report.

OHCMD provided technical assistance to the Group Home on August 14, 2015, to assist the Group Home with implementing their CAP. CAD conducted a follow-up visit to the Group Home on October 13, 2015, to verify implementation of the CAP.

**CASA EDITHA FOUNDATION DBA AVA LYN'S GROUP HOME  
CONTRACT COMPLIANCE REVIEW  
FISCAL YEAR 2015-2016**

**SCOPE OF REVIEW**

The following report is based on a "point in time" review. This compliance report addresses findings noted during the July 2015 review. The purpose of this review is to assess Casa Editha Foundation dba Ava Lyn's Group Home's (the Group Home's) compliance with its County contract and State regulations and included a review of the Group Home's Program Statement, as well as internal administrative policies and procedures. The compliance review covered the following 10 areas:

- Licensure/Contract Requirements,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Education and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social/Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, four placed children were selected for the sample. The Contracts Administration Division (CAD) did not interview the children due to their various levels of Intellectual Disability which limits their participation. The children were observed by CAD to appear comfortable in the Group Home setting with staff attuned to the needs of the children. CAD reviewed their case files to assess the care and services they received. Additionally, four discharged children's files were reviewed to assess the Group Home's compliance with permanency efforts. At the time of the review, one of four sampled children was prescribed psychotropic medication. The case file was reviewed to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

CAD reviewed five Group Home staff files for compliance with Title 22 Regulations and County contract requirements. A site visit was conducted to assess the provision of quality of care and supervision.

**CONTRACTUAL COMPLIANCE**

CAD found the following area to be out of compliance.

**Maintenance of Required Documentation and Service Delivery**

- Efforts to obtain the DCFS Children Social Worker's (CSW's) authorization to implement Needs and Services Plan (NSP) was not documented.

In two out of eight NSPs reviewed, the Group Home did not obtain or document efforts to obtain the DCFS CSW's authorization to implement the NSPs.

- Development of Initial NSPs were not timely and comprehensive.

The two Initial NSPs reviewed were not developed timely. One was not signed by the DCFS CSW and the other NSP was signed late. One NSP was not comprehensive due to the NSP period date "from/to" missing on the report.

- Development of Updated NSPs were not timely.

Three of the four Updated NSPs were developed but not signed by the DCFS CSW. Two of the four NSPs were not sent timely to the CSW for approval. There was no documentation of the efforts to obtain the CSW's authorization to implement the Updated NSPs.

During the exit conference, the Group Home representative stated that the Group Home would have the designated staff sign before the due date to provide ample time for the DCFS CSW to review and send a signed copy for implementation. In addition, the Group Home would ensure that all NSP Signature Requests are documented and sent timely with the efforts to obtain the County CSW's authorization documented in detail. The Group Home representative further indicated that she attended the recent NSP training provided on May 8, 2015 and that the Group Home will ensure full compliance with their new protocol.

### **Recommendations:**

The Group Home Management shall ensure that:

1. DCFS CSW's authorization is obtained prior to the implementation of NSPs.
2. All Initial NSPs are comprehensive and timely developed.
3. All Updated NSPs are timely developed.

### **PRIOR YEAR FOLLOW-UP FROM DCFS CONTRACT COMPLIANCE DIVISION'S GROUP HOME CONTRACT COMPLIANCE REVIEW**

The last CAD compliance report dated April 30, 2015, identified four recommendations.

### **Results:**

Based on CAD's follow-up, the Group Home fully implemented 4 of 4 recommendations which were to ensure that:

- The Group Home maintains detailed Sign-In/Out Logs.
- All Follow-Up Medical Exams are conducted.
- All Initial Dental Exams are conducted.
- Employees complete all required trainings.

At the exit conference, the Group Home representatives expressed their desire to remain in compliance with Title 22 Regulations and Contract requirements. The Group Home Administrator and Social Worker will ensure that DCFS CSW's authorization is obtained prior to the implementation of NSPs and Initial and Updated NSPs are comprehensive and developed timely. On October 13, 2015, CAD conducted a follow-up visit and verified that the agency was in full compliance with their protocol. Three updated NSPs were reviewed and it was verified that the DCFS CSW's authorization was obtained prior to the implementation of the NSPs. All three NSPs were comprehensive and timely developed. The Group Home will consult with the Out-of-Home Care Management Division for additional support and technical assistance during this review period. CAD Contract Compliance will visit the Group Home to verify that the recommendations noted in this Compliance Report have been implemented during upcoming reviews.
