MARY'S SHELTER GROUP HOME CONTRACT COMPLIANCE REVIEW

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Contract Compliance Review of Mary's Shelter Group Home (the Group Home) in January 2016. The Group Home has two sites located in Orange County and provides services to the County of Los Angeles DCFS placed children and children from other counties. According to the Group Home's Program Statement, its stated purpose is "to provide services to pregnant teenagers."

At the time of the review, the Group Home served 13 placed DCFS children. The Group Home has one 12-bed site and one 18-bed site and is licensed to serve a capacity of 18 pregnant or parenting female children, ages 12 through 17, Non-Minor Dependents and 12 infants, ages 0 to 24 months. The placed children's average length of placement was eight months and their average age was 17.

SUMMARY

During CAD's Contract Compliance Review, the interviewed children generally reported: feeling safe at the Group Home; having been provided with good care and appropriate services; being comfortable in their placement environment; and treated with respect and dignity.

The Group Home was in full compliance with 8 of 10 areas of CAD's Contract Compliance Review: Licensure/Contract Requirements; Maintenance of Required Documentation and Service Delivery; Education and Workforce Readiness; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being, Discharged Children, and Personnel Records.

CAD noted deficiencies in the areas of: Facility and Environment, related to a common area not being well maintained; and Health and Medical Needs, related to Initial dental examinations not being conducted timely.

Attached are the details of CAD's review.

REVIEW OF REPORT

On March 8, 2016, Patricia Kirkpatrick, DCFS CAD and Jui-Ling Ho, DCFS Out-of-Home Care Management Division (OHCMD), held an exit conference with the Group Home representative, Clete Menke, Program Director. The Group Home's representative agreed with the review findings and recommendations; was receptive to implementing systemic changes to improve the Group Home's compliance with regulatory standards; and agreed to address the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this compliance report has been sent to the Auditor-Controller and Community Care Licensing.

The Group Home provided the attached approved Compliance CAP addressing the recommendations noted in this Compliance report. On March 8, 2016, OHCMD provided technical assistance to the Group Home to assist with implementing their CAP.

**MARY'S SHELTER GROUP HOME
CONTRACT COMPLIANCE REVIEW
FISCAL YEAR 2015-2016**

SCOPE OF REVIEW

The following report is based on a "point in time" review. This compliance report addresses findings noted during the January 2016 review. The purpose of this review was to assess Mary's Shelter Group Home's (the Group Home's) compliance with its County contract and State regulations and included a review of the Group Home's Program Statement, as well as internal administrative policies and procedures. The review covered the following 10 areas:

- Licensure/Contract Requirements,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Education and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, five placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed five children. During the site visit, the children were observed to be comfortable and well cared for in the Group Home and staff were observed to be responsive to the children's needs. Additionally, three discharged children's files were reviewed to assess the Group Home's compliance with permanency efforts. At the time of the review, six placed children were prescribed psychotropic medication. Two case files were reviewed to assess for timeliness of Psychotropic Medication Authorizations and required documentation of psychiatric monitoring.

CAD reviewed five staff files for compliance with Title 22 Regulations and County contract requirements. Site visits were conducted to assess the quality of care and supervision provided to the placed children.

CONTRACTUAL COMPLIANCE

CAD found the following two areas out of compliance:

Facility and Environment

- Common area was not well maintained.

The living room in Group Home Site #1 had couches that were soiled and worn.

During the exit conference, the Group Home representative stated that new couches would be purchased to replace the soiled and worn couches. On March 23, 2016, the Group Home

representative provided an order confirmation showing that new couches were ordered and would be delivered in a few weeks.

Recommendation:

The Group Home's management shall ensure that:

1. Common areas are well maintained.

Health and Medical Needs

- Initial dental examinations were not conducted timely.

Two children's Initial dental examinations were not conducted within the required timeframe.

Recommendation:

The Group Home's management shall ensure that:

2. Initial dental examinations are conducted timely.

PRIOR YEAR FOLLOW-UP FROM THE DEPARTMENT OF CHILDREN FAMILY SERVICES (DCFS) CAD'S GROUP HOME CONTRACT COMPLIANCE REVIEW

CAD's last compliance report dated December 10, 2015, identified five recommendations.

Results:

Based on CAD's follow-up, the Group Home implemented 4 of 5 recommendations for which they were to ensure that:

- All Special Incident Reports (SIRs) are timely submitted into I-Track database and appropriately cross-reported.
- DCFS Children's Social Worker's (CSW's) monthly contacts are documented.
- Criminal background statements are signed timely.
- Employees receive timely health screenings/TB clearances.

The Group Home did not implement 1 of 5 recommendations for which they were to ensure that:

- Common areas are well maintained.

Recommendation:

3. The outstanding recommendation from the prior report noted in this report as recommendation Number 1, is fully implemented.

At the exit conference, the Group Home representatives expressed their desire to remain in compliance with Title 22 Regulations and contractual requirements. The Group Home made efforts to utilize information from the CAD review to strive towards greater overall compliance. The Group Home will continue to consult with the Out-of-Home Care Management Division for additional support and technical assistance and CAD will assess implementation of the recommendations during the next review.

RE: CORRECTIVE ACTION PLAN

Dear Patricia,

This Corrective Action Plan is in response to the Group Home Monitoring Review conducted at Mary's Shelter, the findings of which were documented in the Group Home Monitoring Review Field Exit Summary dated 03/08/2016.

1. Facility and Environment

The review indicated that "The couches in the living room of House #1 need to be replaced. They are soiled and worn."

Plan of Correction

New couches have been purchased for House #1. A copy of the receipt for those purchases is attached.

2. Health and Medical Needs

The review found that "Two children's initial dental exams were completed six days past the required timeframe."

Plan of Correction

Upon reviewing these findings, it was learned that the dental appointments were not completed in a timely manner due to challenges getting appointments at our primary dental care provider. Therefore, Mary's Shelter has identified two additional dental clinics that will be used when getting an appointment within the required timeframe becomes a challenge. Those clinics are:

Kids Dental Planet
711 W. 17th Street
Santa Ana, CA

Lollipop Dental
1041 E. Yorba Linda Avenue
Placentia, CA

Thank you for your department's review of Mary's Shelter. If you have any questions about this Plan of Correction, I am most easily reached at (714) 721-0501.

Sincerely,
