

*10 Years of Sponsorship  
And  
15 Years of Partnership*

Time flies when you're having fun. This year as our Wednesday's Child Program entered into 10 years of sponsorship by the Freddie Mac Foundation and 15 years on FOX 11, we had an extra special celebration at Six Flags Magic Mountain in April.

On hand were celebrity ambassadors for this annual celebration along with plenty of the truest stars of them all...our adoptive families.

This week we're taking our first glimpse at all the fun that was had during April's celebration. Watch and see and you just may recognize some of the joyous faces of some of our past Wednesday's Child children – many of them in attendance with their now forever families.

To see this segment, watch this Wednesday, June 16, 2010 on the FOX 11 10pm News and again on Sunday, June 20, 2010 at about the same time.
