

THANK YOU FOR YOUR VOLUNTEER SERVICE DURING THE HOLIDAYS!!!

Once again, the holiday season has come and gone, but your work will be remembered....

Whether you donated time, talent or treasure, your contribution helped to make the 2011 holiday season “merry”
for the children and families who we serve.

Thanks for your generous support.

Let's continue to work together throughout this new year to ensure that

our Department,

our County,

our Nation

and our World

is a happy and safe place for children.

Best Regards,

The DCFS Volunteer and Interns Program
