

County of Los Angeles Probation Department

OPERATION READ

Operation READ is a free tutoring program for DCFS and Probation Youth who attend Muir High School and are two or more grades below grade level in reading: literacy skills, comprehension, writing, and spelling. Also, helps youth prepare for the CAHSEE.

Academic mentors work with the youth one-to-one and in small groups, three-to-five hours per week building relationships and providing a variety of instructional approaches individualized to the learner. The program emphasizes learning through phonics, reading aloud and silently, interactive reading games, and writing activities. Tutors strive to engage the youth and make learning fun.
