

## **Provider Referral**

The DCFS Health, Mental Health and Substance Abuse Services Orthodontia Program (Orthodontia Program) staff will give a provider referral to the CSW, as needed, after reviewing the completed Orthodontia Referral Form (Attachment A) and completing an orthodontia screening process, as needed (refer to preferred protocol below). It should be noted that the Department cannot take responsibility for the provider/client relationship/outcome.

The Orthodontia Program staff will respond to the CSW with one of the following referrals, with avenues for a provider choice by the child's caregiver:

Refer to child's Geographic Managed Care Dental Plan or Dental Pre-paid Health Plan;

Refer child to Healthy Families;

Refer to a provider who serves CCS (refer to providers who serve CCS);

Refer to a provider who serves Denti-Cal/EPSDT SS (provide partial list attached);

Refer to a No Cost Community Resource, if available (provide potential community resource(s)).

Refer to SCIAP funding, County funds, or other funding of last resort.

Included herein is a listing of Child Health and Disability Program dental providers who accept Medi-Cal. In addition, other dental providers/orthodontists who accept Medi-Cal are included. The list is not exhaustive, and can be considered a partial list. This listing will be updated periodically by the Orthodontia Program.

In addition, other names of Denti-Cal orthodontia providers can be obtained by calling Denti-Cal Beneficiary Services at 800-322-6384. (Note: Caller must be prepared to give the child's Social Security Number, or Medi-Cal number. In utilizing the menu, press 1 for English, press 3 for Spanish, and Option 1 to obtain up to three orthodontists in a specific zip code requested by the caller.)

Further, the outstationed Public Health Nurses are a possible resource to identify orthodontia providers who accept Medi-Cal. Also, CSWs may become knowledgeable of other providers who accept Medi-Cal in their local community. These additional resources can be provided to caregivers.
