Although the Special Olympics World Games are in progress, we have the unique opportunity to continue to Sponsor an Athlete!

We are almost there... We need $1,415 more to sponsor an athlete. You can help sponsor an athlete with a contribution of at least $5 or more. The $2,500 covers our athlete's expenses including food, medical care, entertainment, and housing at the USC and UCLA Athletic Villages. Let's make a difference in the experience of an athlete!
